

LEVIDIER

THE OATH OF SWANS

The Oath of Swans

I walk with grace; I stand with faith.
I choose what unites, whatever we face.
If storms arise or certainty strays,
With wisdom to guide me, my purpose won't sway.

I lead with heart, yet remain strong.
I lift up my people and bring them along.
For none of us rises as greatly alone;
Help others discover their strength and their home.

My kindness is power; my calm is command.
I listen with patience, beside you I stand.
Through fortune and hardship, through pleasure and pain,
I will choose to show love again and again.

With faith, I rise. With grace, I move.
With wisdom, I listen. With compassion, I prove.
With unity, I strengthen all that I love.
Wherever we journey, we rise and become.

I AM THE SWAN OF LEVIDIER.
