"FLOW. SENSE. ENDURE."

THE OATH OF SWANS

"I WILL NOT FLINCH WHEN SILENCE SPEAKS.

FOR SILENCE BEARS TRUTH WHERE NOISE DECEIVES,

AND IN THE STILLNESS, I HEAR WHAT OTHERS MISS.

I WILL NOT FOLD WHEN PRESENCE IS ENOUGH.

MY BEING IS MY VOICE, MY CALM IS MY COMMAND,

THE WORLD MOVES AROUND ME — YET I REMAIN UNMOVED.

I CARRY THE WEIGHT OF STILL WATERS.

DEPTH UNSEEN, YET POWER UNDENIABLE,

WHAT STIRS IN ME DOES NOT NEED TO BE LOUD TO BE MIGHTY.

I FLOW. I KNOW. I ENDURE.

WITH GRACE I RISE, WITH WISDOM I WALK,

*THROUGH STORMS I REMAIN COMPOSED, THROUGH CHAOS I REMAIN
CLEAR.*

MY GRACE IS NOT WEAKNESS — IT IS DISCIPLINE.

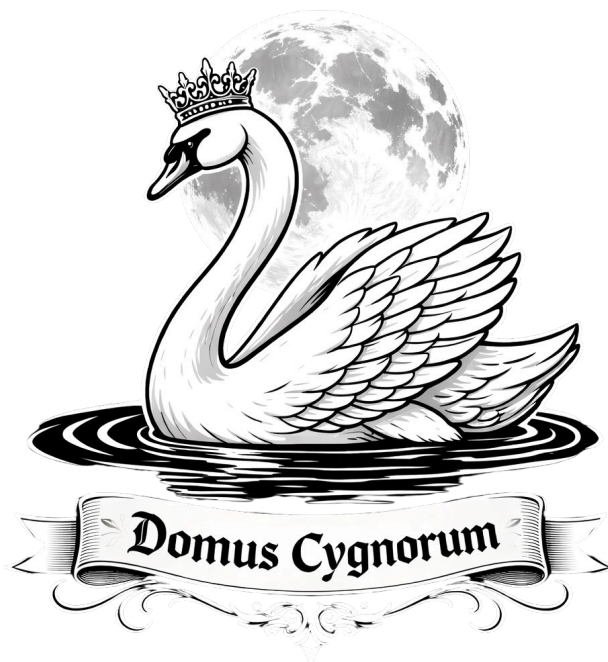

MY ELEGANCE IS NOT SUBMISSION — IT IS CONTROL.

I AM THE RIPPLE THAT BECOMES THE WAVE,

THE HUSH THAT SILENCES THE ROAR.

I AM SWANBORN. I AM LI'NARIS. I AM LEVIDIER."

On Graceful Foundations

FOR EVERY BRICK BUILT IN THE ENT THE HOUSE OF SWANS WAS THERE TO LAY THE CEMENT IN BETWEEN THEIR PLACING. AS INSTRUMENTAL TO THE ENT AS THE HOUSE OF LIONS THE HOUSE OF SWANS IS THE SECOND PRIME HOUSE OF LEVIDIER AND AS SUCH IS RESPONSIBLE FOR EVERYONE IN THE ENT EMPIRE.

A DECLARATION

THE HOUSE OF LI'NARIS IS A PRIME HOUSE OF LEVIDIER, DISTINGUISHED BY ITS SIGIL THE GRACEFUL SWAN. THEIR HOUSE COLOURS ARE WHITE AND SILVER.

THEIR HOUSE REPRESENTS ELEGANCE, GRACE, SUBSTANCE AND WISDOM AND BELIEVES IN REFINED STRENGTH AND INNER FORTITUDE.

A DEFINING PRINCIPLE OF THE HOUSE IS:

"DIAMONDS ARE JUST DIRT UNTIL THEY GO THROUGH PRESSURE."

THIS REFLECTS THE BELIEF THAT PRESSURE IS NOT TO BE FEARED, BUT EMBRACED AS THE PROCESS THROUGH WHICH VALUE, STRENGTH, AND BRILLIANCE ARE REVEALED.

THE HOUSE MANTRA,

"WALK IN PURPOSE ON PURPOSE,"

IS BOTH A DECLARATION AND A DISCIPLINE, ENCOURAGING INDIVIDUALS TO MOVE THROUGH LIFE WITH CLARITY, CONVICTION, AND INTENTIONALITY.

Who Joins This House?

At its core, the House of Li'Naris represents Liberation. It is built on the belief that true strength is not loud, but cultivated through resilience, self-awareness, and a deep commitment to purpose. Members of this house are called to live intentionally, developing inner fortitude that sustains them through both challenge and elevation.

The House of Li'Naris stands as a place of refuge, hope, and inspiration particularly for those who have felt overshadowed or overlooked in their journey. It is a nurturing yet refining space, established to raise leaders who embody grace, kindness, and balance, and who lead not only with strength, but with depth and integrity. It is grounded in a deep sense of purpose, humility, and stewardship. It recognises that identity is not something we create, rather something we uncover as we align with purpose. Each member should understand that clarity of direction is born from reflection therefore you cannot walk fully in purpose until you understand the path that shaped you.

Every blessing and opportunity is received with gratitude and intention not as entitlement, but as something to be cultivated and multiplied. This house carries the conviction to rise above limitation, to challenge doubt, and to overcome fear through action. Here, impossibility is not accepted, it is confronted.

Through discipline, resilience, and consistency, we learn to produce results that speak louder than circumstance. Victory is not defined by ease, but by endurance. Challenges and setbacks are not signs to stop, but opportunities to refine and push forward. Every failure should become a stepping stone and every obstacle a shaping force.

Those within the House of Li'Naris will stand confidently in their growth, taking pride in every achievement no matter how great or small. They will understand that progress is built over time, and perseverance is a quiet but powerful strength.

Above all, this house embodies grace in motion, extending kindness outwardly, while also learning to offer that same patience and compassion inwardly. Because true balance is not only seen in how we lead others, but in how we carry ourselves. We choose refinement over recognition, we know becoming is a process, and true value is formed, not found. We carry ourselves with quiet confidence. We do not seek to be seen yet cannot be overlooked. Pressure is not an obstacle, but a necessary force for transformation. Composure is strength. Discipline is identity. And purpose is not something spoken about, it is something lived.

Li'Naris Prime.

INSIDE THE DECLARATION OF THE SWAN'S HOUSE

WHAT BEGINS AS A PORTRAIT OF ELEGANCE UNFOLDS INTO A PHILOSOPHY OF DISCIPLINED BECOMING. BENEATH ITS CALM EXTERIOR, THE HOUSE OF LI'NARIS PRESENTS A FRAMEWORK FOR IDENTITY, GROWTH, AND QUIET STRENGTH DEFINED NOT BY APPEARANCE, BUT BY DEPTH.

REFINED STRENGTH OVER DISPLAY

From the outset, the house establishes that strength is not performative.

It is not found in volume, but in composure. Not in attention, but in control.

Like the swan itself, calm above the surface, yet powerful beneath, members of this house embody a strength that is felt more than it is seen.

Editorial takeaway: True strength does not demand attention; it commands presence.

IDENTITY AS ALIGNMENT, NOT CONSTRUCTION

The house challenges the idea of self-invention.

Identity is not something to be manufactured, but something revealed through alignment with purpose, discipline, and reflection. There is an understanding that clarity of direction is shaped by awareness, recognising both where one stands and what has shaped them.

Identity is uncovered through alignment, not created through performance.

PRESSURE AS A REFINING FORCE

The principle of the house makes its stance clear:

"Diamonds are just dirt until they go through pressure."

Pressure is not resisted it is embraced. It is the process through which substance is formed, character is tested, and value is revealed.

Struggle is not a sign of failure, but evidence of transformation.

Editorial takeaway: Pressure is not the obstacle; it is the process

INTENTIONAL LIVING AS DISCIPLINE

The mantra,

"Walk in purpose on purpose,"

positions intention as a daily practice.

This is not passive existence. It is a conscious decision to move with clarity, to act with conviction, and to align behaviour with direction.

Drifting is rejected. Deliberate living is expected.

Editorial takeaway: Purpose is not found, it is walked out, daily and deliberately.

COMPOSURE AS POWER

The house places high value on emotional and internal discipline.

Grace is not softness, it is control. Balance is not passivity, it is mastery.

Members are called to carry themselves with steadiness, even under pressure, maintaining clarity where others may falter.

Editorial takeaway: Composure is a form of power, not restraint.

GROWTH THROUGH QUIET CONSISTENCY

Progress within this house is not loud or rushed. It is steady, intentional, and cumulative. Every step forward matters, no matter how small.

Achievements are not measured by comparison, but by development.

Editorial takeaway: True growth is built quietly, over time.

GRACE EXTENDED INWARD AND OUTWARD

The House of Li'Naris does not separate strength from compassion. Kindness is extended not only to others, but also to oneself. There is an understanding that growth requires both discipline and patience.

Balance is found in holding high standards without abandoning grace.

Editorial takeaway: Strength and compassion are not opposites, they are partners.

BELONGING THROUGH REFINEMENT

This house offers a place for those who may have been overlooked not because they lack value, but because their value has yet to be fully revealed. It is a space of refinement, not reinvention. A place where individuals are shaped, strengthened, and elevated into who they are meant to become.

Editorial takeaway: Belonging is found in the process of becoming, not in immediate recognition.

CONCLUSION

The House of Li'Naris speaks to those who understand that true power is not loud, rushed, or forced.

It is cultivated.

It is refined.

It is revealed over time.

This is not a house for those seeking attention, but for those committed to becoming undeniable.

As Prime, I stand shoulder to shoulder with Vae'Ron, where force meets refinement, and leadership is matched with composure. Together, we are both the power that advances, and the presence that steadies. A force to be reckoned with, and a strength that reassures.

Quiet Strength & Grace

THE SWAN HOUSE SHOULD BE REPRESENTATIVE OF PEOPLE THAT WILL FIGHT ON BEHALF OF THOSE THAT HAVE NOT FELT THEY HAVE THE STRENGTH TO DO SO ON THEIR OWN. IN EVERY PART OF LIFE WE ENCOUNTER MOMENTS, PEOPLE, PLACES AND THINGS THAT CHALLENGE US. THIS CAN OFTEN OVERWHELM US. IF EVER YOU ARE FACED WITH THESE CHALLENGES WHILST HERE, KNOW THAT TO OVERCOME YOU WILL NEED TO BE PREPARED TO BE VULNERABLE AND YOU MAY FEEL OVER EXPOSED, BUT THE END RESULT WILL BE WORTH THE RISK. THE SWANS HOUSE IS A PLACE WHERE YOU CAN FEEL RESTORED AFTER GOING THROUGH YOUR BROKENNESS. BENT DOES NOT MEAN BROKEN AND BROKEN DOES NOT MEAN YOU ARE WORTHLESS. OUT OF YOUR BROKEN YOU ARE ABLE TO UNDERSTAND AND EXPERIENCE THE HEALING PROCESS. YOU CAN BE FORTIFIED THROUGH YOUR ABILITY TO RISE FROM THE ASHES OF SORROWFUL AND BITTER MOMENTS. MOST PEOPLE WILL NOT RECOGNISE BITTERSWEET MOMENTS UNTIL THEY ENCOUNTER THE IMBALANCE OF LIFE IN ITS REALEST FORM. THE UPS AND DOWNS, THE LOSSES AND WINS, AND ALL OF THE IN-BETWEENS THAT MAY BE PART AND PARCEL OF YOUR LIFE.

**I WANT MY CHILDREN TO KNOW
THAT THEY HAVE A SAFE HAVEN
AT THE SWANS HOUSE WHERE
THEY WILL BE ABLE TO GATHER
STRENGTH FOR THEIR TOMORROWS
AND JOYS FOR THEIR SORROWS.**

‘A SYMBOL OF LIGHT’

THE SWAN HOUSE SHOULD REPRESENT A SYMBOL OF LIGHT, JUST AS THE SWAN ITSELF DOES IN MANY PARTS OF THE WORLD.

It should be a place where inner beauty is revealed, and value is recognised. When you are a part of this house you will understand the value of purpose and you should know that in life there will be victories and failures, but all of those will fortify your character and prepare you for the life you wish to live.

May those that walk with the Swan house be discerning and empower others to be the best part of themselves. May they inspire hope and elevate those who may be lost.

I want us to be kind and fair, loving and tender but also strong and unrelenting in our pursuits for purposeful living.

Be charismatic and bold, but eloquent and subtle.

If you are privileged to be born into the Swan bloodline you will know that confidence is power, everything is power and power can be something or nothing depending on the wielder.

I speak strength, health, wisdom, hope, success, wealth, intellect, emotional depth, open doors, and endless possibilities of achievements into their lives. May they prosper in everything that they put their hands to and may they be the head and not the tail.
